Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

96241369

Material/Finish

Body: sheet steel painted white (close to RAL9010)
 End cap: moulded in white polycarbonate
 Louvres: aluminium, pre-coated white or anodised (satinbrite).

Installation/Mounting

Electrical installation via piano-key terminal blocks, two cable entry points at centre of fitting. Retained louvre to enable hinging for easy lamp replacement. Surface mounted via keyholes at 950mm centres or suspended via optional wire suspension kits, close offset rod or pendant rod kits. Continuous line mounting electrical connection not possible.
