

Omega Circular

The Omega Circular is an extension to the Omega family which offers the freedom to change the geometry of the space

- Freedom of design: When you are looking for something different, we can help create a considered design with all new shapes
- Full family: There is a 300mm, 400mm and 500mm diameter product which offers you the choice to use this family in all kinds of spaces
- Application: Could replace a 600x600mm product in a wide variety of spaces in an office or school
- Unique installation: Created to fit exactly the tools a contractor would have in their toolbox. With the simple twist and lock mechanism we have made the installation simple and easy to complete
- Emergency option on special request

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.
