

IQ Wave

Our next generation office luminaire features intelligent innovation in 4 key areas, design, optic, control and installation

- **Design:** simple and flowing lines create a modern but simplistic aesthetic perfect for an elegant office interior
- **Optics:** innovative MV tech optic designed by our expert optical team offers excellent uniformity and glare control, direct/indirect light for illuminance on faces and walls to encourage a comfortable, communicative working environment
- **Controls:** Integrated sensors allow you to create flexible control systems suited to your needs. Wireless solution controlled via App with Bluetooth® 4.x - basicDim Wireless. Also available are integrated PIR and microwave sensors.
- **Installation:** with our new red flag design you can easily access the pull up set from below the ceiling without the need to remove the optics from the product, allowing for a more secure fixing to the ceiling
