Detailed description: This is a rectangular energy label for a THORN luminaire. At the top right is the THORN logo. Below it is the model number 96267373. A small icon of a lamp is followed by the text 'This luminaire contains built-in LED lamps.' The central part of the label features a vertical energy efficiency scale with seven arrow-shaped boxes labeled A++, A+, A, B, C, D, and E from top to bottom. The boxes for A, B, C, D, and E are crossed out with a large red 'X'. A blue bracket on the right side of the scale groups the A++, A+, and A boxes under the label 'LED'. Below the scale, a white box contains the text 'The lamps cannot be changed in the luminaire.' At the bottom left is the reference number 874/2012, and at the bottom right is the European Union flag.
