 This luminaire is compatible with bulbs of the energy classes:

874/2012 

The image shows a vertical energy class diagram with seven horizontal bars. From top to bottom, the bars are: green with '++', green with '+', green with 'A', yellow with 'B', orange with 'C', orange with 'D', and red with 'E'. Red 'X' marks are placed over the '++', '+', 'C', 'D', and 'E' bars. A blue bracket on the right side of the diagram groups the 'A' and 'B' bars, with a small light bulb icon next to it.
