

SWITCHLITE KIT WALL SLDM ADJ

Wall Mounting kit

Art. no. 96239827

Application

The SWITCHLITE KIT MSF SLDM ADJ is a wall mounting kit that helps to convert recessed sensors for wall mounting applications.

Wall Mounting Kit is suitable for:
SWITCHLITE MRE SLDM ADJ (96239855)
SENSA MRE DDM ADJ (96239889)
Connect MRE DUC MWADJ (96239817)

Mounting and installation instructions

- The distance between two drilling holes for mounting the box is 46mm.
- Mount wall box onto the wall.
- Detach the mains cover of the sensor and plug in the connector. Do not re-fit the mains cover to the sensor.
- Loosely push the unit into the wall box.
